Christmas Party 2011

We had another great Christmas party and managed *not* to get kicked out of the facility !!! Scott Schubel and his band (No Vacancy) really rocked the party! The food was great and everyone seemed to have a good time. We had 3 Marines attend the party, and they left with a nice bunch of toys for needy kids. Congratulations to Bob Seibert for receiving the "Member of The Year" award. I am sure he will make good use of his new "Beer Belt"

I would like to take this opportunity to give a huge "Thank You" to our past Commodore Don Witkowski for his extended efforts in maintaining the Bombay Yacht Club as our Commodore for the past 3 years. Great job Don !!!!

I would also like to thank our Treasurer, Cindy Burns, for her outstanding job as Treasurer. Cindy made a beautiful Basket of Cheer, which was won by Debbie Burgdorf. She picked Up the center pieces, which were won by: " If your birthday was closest to 23rd of July" She also arranged for Scott's band, made and managed the voting box, handled membership sign in and furnished our Banner. - Wow ! Thank you Cindy. (You too Bob)

I also need to thank Leigh Ann Witkowski, Don Bennett and Belinda for the successful selling of the 50/50 tickets. \$350.00 went to Bob Burns. - With Cindy as Treasurer, I guess the old saying: "Money goes to money" applies !!!

I want to thank our Fleet Captain Tim Farris for furnishing the adult beverages for the before and after parties. We kept hotel security busy between the first and third floor. (You know who we are talking about !!!)

Congratulations to Shelley Sweier for winning the "2011 Flipper award " !!!!

Joe Carley had trouble with his heart tapping on his chest and couldn't make the party along with his wife Joann, and friends Steve & Denise Wyatt. They took Joe to Henry Ford for an overnight stay. Fortunately everything checked out OK for Joe. They returned him home with orders to double check with his heart doctor. We missed you guys at the party.
